BROOKS ANNOUNCES FIRST-EVER FALL MOVIE, FREE AT THE HIGHLAND BOWL: FRANKENSTEIN

Monroe County Executive Maggie Brooks today announced that the popular "Movies in the Parks" series will present its first-ever fall motion picture, the 1931 Universal Studios film classic, *Frankenstein*, starring Boris Karloff. The Monroe County Parks Department will host this free outdoor event on Saturday, October 20th at the Highland Park Bowl. Pre-show fun will start at 6:00 p.m. and the film will begin at 7:00 p.m.

*"Our 'Movies in the Parks' series was so successful this past summer, we have added a fall bonus-film," said **Brooks**. "While many people have seen the movie *Frankenstein*, few had the opportunity to experience it on the big-screen. At this special presentation, Monroe County families and residents of all ages will be able to enjoy this classic film under the stars, free of charge, at the Highland Park Bowl."*

Brooks also thanked the movie co-sponsors for their assistance, which allows Monroe County to present this event free of charge. In addition to Monroe County, the sponsors of *Frankenstein* include: New York State Senator Joseph Robach, Advanced Audio Visual Services, Seneca Park Zoo Society, High Falls Film Festival and Rochester Community Players.

The feature presentation of *Frankenstein*, which runs 71 minutes, is scheduled to start at 7:00 p.m. Beginning at 6:00 p.m., pre-show fun will include monster movie trivia, a ghost story, a spooky sing-along and the High Falls Film Festival's presentation of the CG animated movie-short, *Moongirl* (2005).

As the Highland Park Bowl is an outdoor amphitheater with all lawn seating, attendees are advised to dress appropriately for the weather and bring their own seating (lawn chairs and/or blankets are recommended). Concessions will be available for purchase at this event.
